

Mt. Carmel Church of God is seeking a full-time Pastor!

The Mt. Carmel Church of God, 2493 Carmel Church Rd., Celina, Ohio

Our focus is on discipleship and creating a group of believers so closely connected to God and each other that others will see it and desire to know what makes us different.

We would like someone who is:

- Mission-focused, while striving to keep our congregation God-centered.
- Attending ministries and events held by our church, as well as the community.
- Reaching others for Christ, which is an important quality we desire in our pastor.

The church building is located approximately 8 miles west of Celina, in the country. The structure consists of the sanctuary, basement, nursery, fellowship hall, and it is handicap accessible. We are a multi-generational congregation, providing: Sunday school, worship, Wednesday night Bible studies, a men's Bible study, a women's group, STEM Club, a new Science Club this fall, and many other opportunities for personal growth and fellowship. The average Sunday attendance is 80.
